CLEARINGHOUSE RULE 97-119

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

In s. SFC 14.01 (2) (intro.) and 14.02 (2), it would improve readability and clarity to separate course work requirements by semicolons.

4. Adequacy of References to Related Statutes, Rules and Forms

In s. SFC 14.02 (2), it appears that the correct cross-reference is “s. SFC 14.01 (2).”

5. Clarity, Grammar, Punctuation and Use of Plain Language

In s. SFC 11.035, the second and third sentences are not entirely clear. For example, in the second sentence, should the word “until” be inserted before the word “release”? If so, and if an applicant has passed an examination prior to the expiration of nine months from receipt of a temporary certificate, why should the effectiveness of the temporary certificate automatically cease? If the effectiveness of the temporary certificate ceases under that scenario, that result conflicts with the third sentence of s. SFC 11.035. A clearer way to express the second and third sentence is as follows:

The temporary certificate expires nine months after its issuance or upon notification of failure of passing the required examination under s. _____, whichever occurs earlier.
